Dear Enthusiast,

REMPSTONE STEAM & COUNTRY SHOW 8th & 9th JULY 2023

We will be holding our annual Steam & Country Show on the above dates at Turn Post Farm, Wymeswold. You are invited to submit the enclosed entry application form which should be returned by no later than the date indicated on the form. Numbers may be limited so please apply early; late applications may not be successful.

There may be changes to the Show layout again this year so your exhibit area location may change. As in past years, vehicles, caravans or exhibits parked without the Section Steward's direction may be required to move.

Ticket allocation will be made to each exhibit. Please ensure that you complete the form correctly and in full.

INSURANCE

From a safety aspect it will be necessary for all exhibits to be placed in the enclosures provided, and carry appropriate insurance, including £5 million public liability.

The showground falls under the Road Traffic Act and all movement of vehicles upon the showground should be carried out in accordance with said act. Anyone not complying with these stated conditions will be removed from site without question. The ONLY exception to this condition is for steam vehicles where members of the Steam Apprentice Club may drive subject to ALL the terms in the NTET Code of Practice being met. Persons under 16 years of age are not permitted to be left in charge of machines or mechanically propelled vehicles.

Passengers may only be carried when properly constructed seats are fitted.

You will be required to produce your insurance documents on arrival at the rally site.

In the event of any dispute, the show organiser's decision will be final.

Yours sincerely,

Andrew Sheperdson

Section Steward.
