

Crossmember User Guide for Members

It's easy to manage your own membership now that the DLOC operates "Crossmember" a computerised membership system:

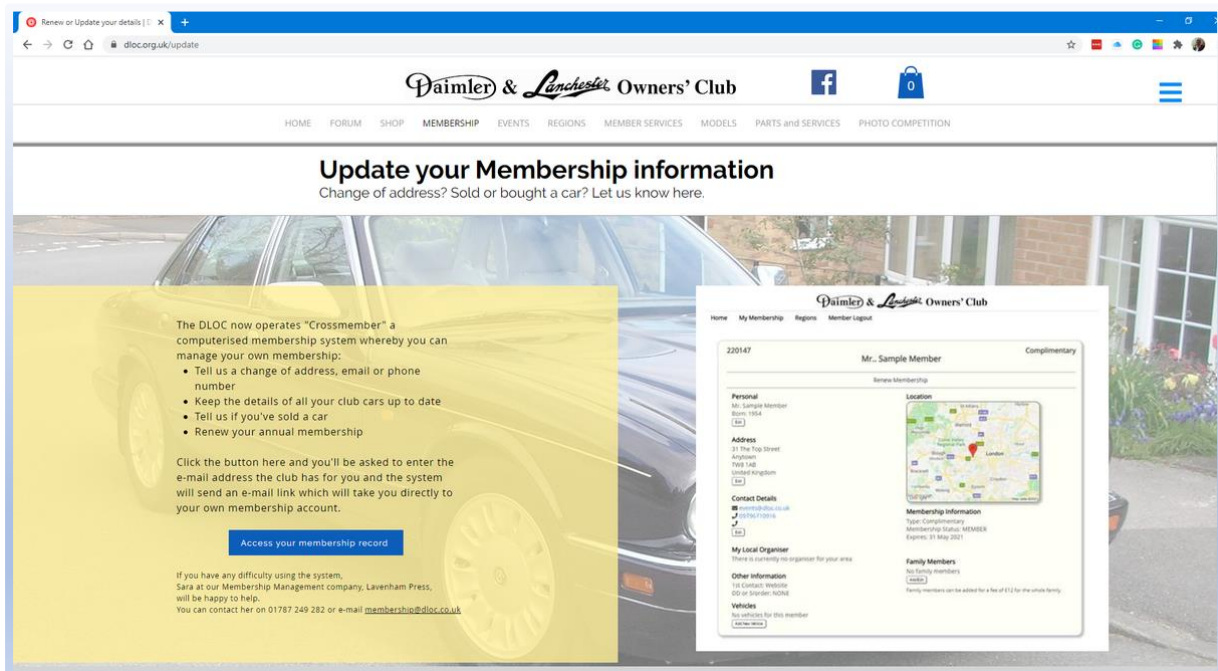

- Tell us a change of address, email or phone number
- Keep the details of all your club cars up to date
- Tell us if you've sold a car
- Renew your annual membership

Visit the Club website at www.dloc.org.uk and hover over the Membership option on the top menu – two options will appear like this:

Select the Renew or Update your details option.

Then you'll see a new screen with an explanation of what to do next.

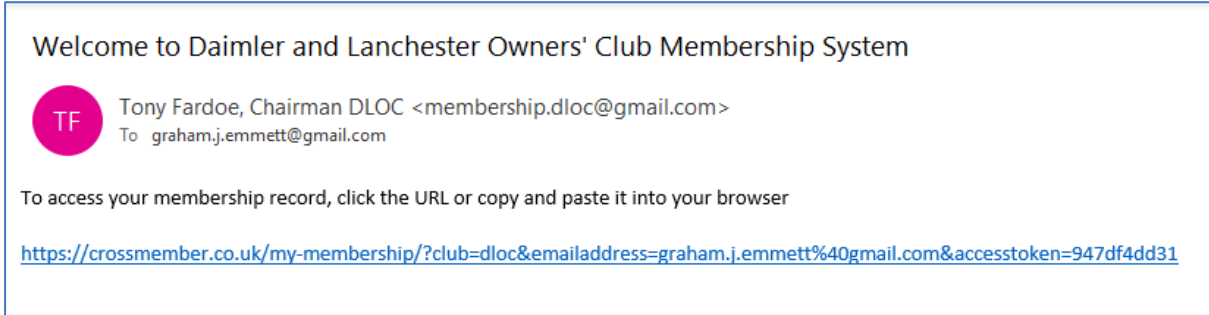

Click the button here and you'll be asked to enter the e-mail address the club has for you. You'll then receive an e-mail with a link which will take you directly to your own membership account.

You can also download the full User Guide and our updated Privacy Policy from here.

The e-mail will look like this:

As the e-mail address is new to you it may arrive in your Spam or Junk folder so please check there.

Then click on the long link in the e-mail and you will be taken directly to your membership record. If you can't click the link, then copy and paste it into the address bar of your browser like this:
