

### Wiring Panel Lights at Back of Dashboard.

23.1.00

The orig. wiring diagram does not match what was found on the panel as orig.

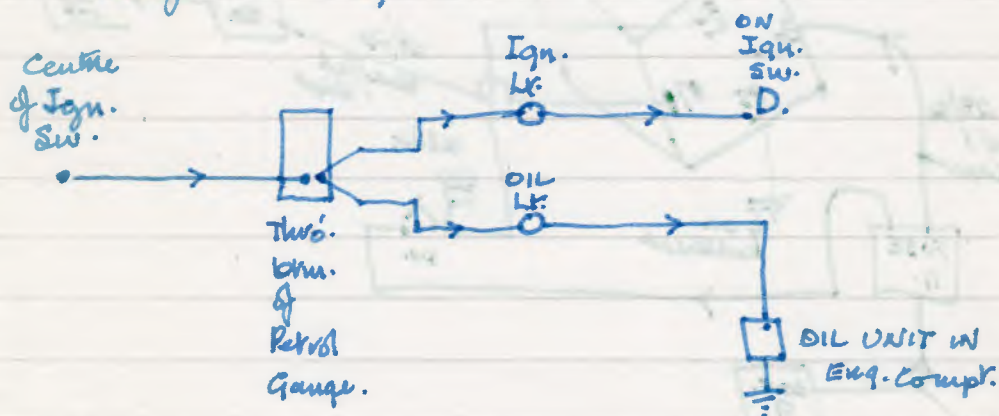

Now re-wired in BUE with white stripe to the method used & not as the diagram. 28/0.30.

### Wiring Ignition and Oil Warning lights at Ditto.

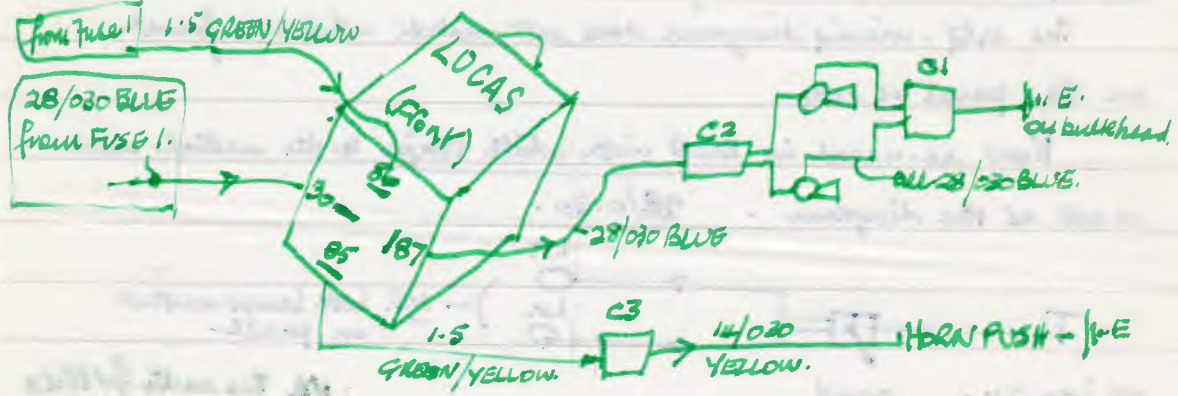

Again orig. diagram does not match.

Now re-wired in BUE with red stripe to method used & not as diagram. 28/0.30

# HORN RELAY.

# SPOT RELAY.
